MRP 99/-

A few Signature Products

- ▶ • **Butter Garlic Baby Rusk** - is an indulgent harmony of rich, savory flavors. The velvety depth of Amul Butter blends seamlessly with the warm aroma of premium garlic, creating a gourmet snack experience. Each delicate rusk delivers a perfectly crisp bite, followed by a subtle tenderness that elevates its texture. Enjoy it on its own or pair it with your preferred beverage—Butter Garlic Baby Rusk transforms any moment into a touch of refined indulgence.”

Weight – 150Grms MRP 150/-

A few Signature Products

- ▶ • **Herb Butter Baby Rusk** - (No Onion No Garlic) is elevated into a gourmet indulgence through the infusion of premium herbs and velvety, rich butter. The fresh, aromatic notes of the herbs pair beautifully with the smooth, buttery finish, creating a rusk that is both delicate and decadently flavorful. Thoughtfully crafted to remain Jain-friendly, this exquisite twist transforms a simple snack into a refined, indulgent experience."
- ▶ Weight – 150Grms MRP 140/-

A few Signature Products

- ▶ • **Milk Baby Rusk** - Milk Baby Rusk embodies 'pure love in every piece,' capturing the warmth, care, and purity of its premium ingredients. The richness of milk lends a soft, creamy essence and a delicately indulgent flavor, evoking nostalgia and the comfort of home. Each piece is crafted with thoughtful dedication, transforming a simple snack into a luxurious, joy-filled indulgence that rekindles cherished childhood memories.

Why Institutions Are Switching to SUNKOTS ?

- Inconsistent suppliers = reputational risk
- Commodity pricing = zero differentiation
- Delays = lost contracts

SUNKOTS solves all three — at scale.

Why These Products Win in Institutions?

- Long shelf life
- High breakage control
- Predictable margins
- Strong consumer acceptance

What are your Gains ?

- Reduced vendor dependency
- Assured daily production capacity
- Faster rollout across locations
- A supplier who understands SOP's

Upcoming Launch June 2026

- ▶ Introducing the Millet Range:
